All persons who are known by the Issuing Office to have received the above-referenced RFP are hereby advised of the following revisions:

SECTION 2.1 SUMMARY STATEMENT

Section 2.1.5 ADDED TO READ:

Chapter 446 of the Laws of Maryland 2018 established a demonstration program to cover certain health care services provided to certain individuals not covered under the Maryland Medicaid Assistance Program. The Department anticipates establishing criteria for enrollment and covered services in the demonstration program during the first year of the Contract. The Department may include individuals in the demonstration program as eligible to receive Financial Management and Counseling Services under the RFP. The number of individuals in the demonstration program will be capped and does not change the estimated units in the Financial Proposal Form.

All other terms and conditions remain unchanged.

This Addendum is issued under the authority of State Procurement Regulations, COMAR 21.05.02.08 and with the approval of the Procurement Officer MDH.
